The IEP should also include ways for parents and educators to measure the child's progress toward the goals and objectives. The Lord has not revealed the meaning of this symbolic number.

## **Smiling Single Mom: Its ALL Right!**

Through political mistakes, friendly fire, and misunderstandings many atrocities are committed. A joint study by sociologists at the University of Virginia and Harvard University found that the decline and disappearance of stable full-time jobs with health insurance and pensions for people who lack a college degree has had profound effects on working-class Americans who now are less likely to marry and have children within marriage than those with college degrees.
