London: Christian Classics Ethereal Library, Schleiermacher, On Religion, Despite inheriting the influential Kantian and Hegelian critiques of religion, Schleiermacher aspired to reconcile philosophy with Protestantism. The mass of the people of ancient days, from whom, indeed, we have inherited all the intellect we possess, were as practical as we are, were as interested in knowing the truth about men and things as we are, and were, if it may be so put, as suspicious as we are. No one knows why we have brains. I am the gentle autumn rain.
