We Know Too Much: A Novel of Things That Happened

Instead of isolating or banning DEFA films with blatant or clandestine propagandistic socialist messages, these films are included in the canon of East German Cinema to illustrate the diversity of DEFA film. With the aid of chemistry we can ensure that some of the ravages of time are reduced, or at least disguised.

In this place the French found twenty-five wounded or dead Germans in the church. Collages on Canvas. Historia natural y moral de las Indias. This is why both the places that form the locus of memory, and the ghostly signifiers that populate them, are unique to the holder of the memory-always a childhood home or school.
